NOTE: The music, lyrics and activities in **Hap Palmer's Infant/Toddler Collection** support educators as they implement activities that relate to the subscales and items identified as critical components of a successful and effective child care setting, as detailed in ITERS-R. The songs on these recordings can be effectively used to:

- Introduce the activities listed under "Items"
- Reinforce the language, concepts and skills listed under "Items"
- Provide a purposeful use of recorded music in the environment
