It's fun to be fit and fit is fun, warm up your muscles every day.
It feels so good when we feel so strong 'cause we have such energy to play....
We can do so many many things when we're fit...and strong!
(Repeat)
It's fun to be fit and fit is fun - Get Ready to move - get ready to move -
'Cause being fit is fun!
It's fun to be fit, it's fun to be fit...

Flap your arms like you're flying like a bird -
We're gonna do the Silly Willy Wiggle
(Repeat)
We're gonna do the Silly Willy Waggle
(Repeat)
Now listen close-
Wiggle your **waist** and make it jiggle!
Lift those **knees**, one at a time...
Tap 'em with your hands, one at a time...
The feet, the feet, what are the feet doin'?
The **feet**, the feet, takin' me around the room,
While I wiggle and jiggle and flap my arms!
We're gonna do the Silly Willy Wiggle.
We're gonna do the Silly Willy Waggle
The Silly Willy Wiggle, the Silly Willy Waggle,
While we wiggle and jiggle all around!

Track # 3 - Breathing

Track # 4 - Marching

Marching, marching, marching like a marching band.

Rows and rows of brightly colored uniforms marching together in the band.

Marching, marching, marching like a marching band,

the **big bass drum** beats the rhythm while we're marching together in the band.

Marching, marching, marching, marching, marching, marching, marching, marching, marching. (as song gets louder, knees get higher)

The **tubas** sway back and forth to the rhythm and the **trombones slide, trombones slide.**

The **flutes and the clarinets** are doing their very best to keep with the rhythm of the band.

The **trumpets** call brassy and clear, the **cymbals** crash...

The **flutes** and the **clarinets** are doing their very best to keep with the rhythm of the band.

Marching, marching, marching like a marching band.

Row and rows of brightly colored uniforms playing together in the band.

(marching gets softer and softer as children wave good-bye to the marching band)

Track # 8 - Bean Bag Bop

Bop bop bop it's the Bean Bag

Bop bop bop it's the Bean Bag

Bop bop bop it's the Bean Bag

Move it all around and don't let it stop stop.

Shake it all around and don't let it drop drop.

(Repeat Chorus)

Put it on your top and don't let it drop

That's what we call the Bean Bag Bop

Put it on your nose and strike a funny pose

See where it goes when you drop it to your toes.

(Chorus Repeat)

Put it on your ear you don't have to fear
that you won't hear when we give a big cheer.
Put it on your shoulder and be a little bolder-
Before you know it you'll be a little older.

(Chorus Repeat)

Put it on your belly make it stick like jelly
if you get it at the deli make sure it isn't smelly.
Slap it on your back now you've got the knack
to wear it like a pack or maybe like a sack.

(Chorus Repeat)

Put it on your knee while the other one's free
Look at me I'm a sycamore tree
Toss it in the air and catch it up there
Betcha won't dare to get it in your hair

(Chorus Repeat)

Shake it up and down and move it all around
You don't have to frown if it hits the ground.
Toss it in the air, better beware,
'cause we're gonna stop the Bean Bag Bop!
