

HONOR YOUR PARTNER SQUARE DANCES # 4

Oral Instructions and Calls by Ed Durlacher

Knowing the growing demand for square dancing in every phase of social life, it has been our intent to bring to the uninitiated an innovation in these square dance recordings whereby all may enjoy participating in this form of group recreation.

Each dance is preceded by simple "Talk-through-Walk-through" instructions and the dances are arranged in progression for easy learning and greater enjoyment.

New dancers walk through the figures until they become familiar with them. That is the reason for the ten-second silence between the instructions and the actual dance.
